THE DAISES.

Ben. D. Bell,

Druggist, of Lexington, Ky., says that Dr. Hale's Household remedies (consisting of Dr. Hale's Household Cough Cure, Dr. Hale's Household Ointment and Dr. Hale's Household Tea) are the best sellers he has ever had in his store. This is owing to the great merit of these popular remedies. They invariably give great satisfaction, save many doctors' bills and work wonderful cures. Everybody should use them. 25 and 50c. sizes at Carpenter's South Side drug store.

Attention, Alliance.

The Franklin County F. & L. U. met in regular session, at Frankfort, the 4th Saturday in May and transacted business of importance to the Order.

I was requested by the President to have the following sent to the ROUNDABOUT for publication: WHEREAS, It is of great importance that every sub-union in the county be represented at the next meeting on the 4th Saturday in June, as officers are to be elected and other business transacted in which every Union member will be interested, also the dues of 25 cents upon each male member must be paid to the County Secretary by July 1st.

I will ask what has become of Peake's Mill Union, with all of her splendor, and Leestown, with all of her talent. Now let us meet together as brothers, and we need not fear the result; for all reasonable and sensible people will acknowledge that we are non-partisan.

I am so convinced that the Alliance

principles are right that I will defend them at any place and upon any occasion. While this is a broad assertion, I have always been taught that truth will establish itself, and with this in view I have nothing to fear. Therefore, I challenge to debate any man on the principles of the Alliance. Any person desiring to debate should write to me so that we can select time and place. Those who are always opposing the Alliance will either accept this, shut up or put up.

Let every Union meet at the courthouse the 4th Saturday in June.

JEFFREY ALLISON, Secretary.

Zilpah, Shelby county, Ky.

Fourth of July at Cincinnati.

The Cincinnati Southern (Queen and Crescent Route) have arranged to run a special train to leave Cincinnati at 11 o'clock on the night of July 4th, running as far as Lexington. A National Event.

The holding of the World's Fair in this city scarcely fifty years old will be a remarkable event, but whether it will really benefit this nation as much as the discovery of the Restorative Nerve by Dr. Franklin Viles is doubtful. This is just what the American people need to cure their excessive nervousness, dyspepsia, headache, dizziness, sleeplessness, neuralgia, nervous debility, dullness, confusion of mind, etc. It acts like a charm. Trial bottles and fine book on "Nervous and Heart Diseases," with unequalled testimonials, free at J. W. Gayle's. It is warranted to contain no opium, morphine or dangerous drugs.

A Wide-Mouthed Galoot.

During the entertainment at the City School building on Wednesday evening, when the chapel was crowded to suffocation with the school children and their parents, some mischievous boys got hold of the bell cord and began to ring the bell on the building, when a leather-lunged individual in the vicinity yelled "fire!" Fortunately there was such a buzz of conversation going on in the chapel at the time that no one in the room heard him or there might have been a panic and several persons killed in their frantic endeavors to get out of the house. Should such an accident have occurred the party who gave the alarm would have been indirectly guilty of the murder of those killed, and it would have gone very hard with him had he been caught. As it was, quite a number of gentlemen who had children in the building heard the alarm and rushed down there, and when they found there was no fire they were ready and anxious to take the party who raised the cry to the river and throw him in. Fortunately for him he was not to be found.

Pronounced Hopeless, Yet Saved.

From a letter written by Mrs. Ada E. Hurd, of Gorton, S. D., we quote: "Was taken with a bad cold, which settled on my lungs, cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took, in all, eight bottles. It has cured me, and thank God I am now a well and hearty woman." Trial bottles free at Phil. Carpenter's Drug Store, regular sizes 50c. and \$1.00.

Upon which the total tax is \$44,433.-22.

The number of legal voters in the city is as follows:

" " colored 137

GOOD THINGS

ARE IN STORE FOR YOU.

THE GOOD THINGS WE REFER TO ARE IN OUR STORE, AND THEY ARE THERE FOR YOU AND EVERYBODY.

OUR STOCK IS LIKE A STREAM—hundreds take from it, yet it never diminishes. This, of course, is because there is a never-dying spring of supply that feeds the stream.

SLUGGISH STREAMS STAGNATE—So do sluggish stocks. They become decayed. They are not fit for commercial use any more than decayed meat. Finally, they are known as "dead."

CONSTANT MOTION KEEPS WATER IN THE BEST CONDITION—and a constant flow of trade keeps a stock in best condition. We have no dead stock, because our stock never stands still. It is always flowing out and flowing in.

DO YOU APPRECIATE THE ADVANTAGE of buying always from a clean, fresh stock of new goods? If you do, you can have that advantage by trading with.

The Old Original Remedy Leads.

Sick people should not be deceived by pretenders who talk about "Microbi," "germs," "bacilli," &c., to sell their preparations, thus preventing people from buying the original tested medicine. "Radam's Microbe Killer" is what you need. It is now, and for years has been, making more cures than all other remedies combined. Read their advertisement in this paper. Don't be deceived.

FRANKFORT ROUNDABOUT

FRANKFORT, JUNE 18, 1892.

Base Ball.

FRANKFORT 8, VERSAILLES 1.

In base ball mythology there is a
demon called "Hard Luck." This
demon and his attendant imps played
an important part in preventing our
base ball heroes from administering
a beautiful coat of shining, glistening
white wash and presenting a basket
filled with nine fine, round goose
eggs, to the Versailles club at Ver-
sailles on Monday. Demons, you
know have a habit of running athwart
good intentions.

It was in the eighth inning, after
our boys had accumulated seven of
the nine eggs, which they anticipat-
ed presenting to their hosts. Jeff
Brown, whose former work with the
stick had given no reason to suppose
that he was the agent of the demon,
was at the plate. Our own Penn incau-
tiously gave him a nice soft ball, and
there was a resounding crack. Dick
was seen speeding toward deep cen-
ter and Brown is at second, where he
hesitates, fearing those wily Frank-
forters have another of their surprise
parties in store for him. Dick is
wildly threshing the grass in a mad
effort to locate the ball, and Jeff, at
last secures courage to run to third,
where he again stops. But now
nearly the whole Frankfort team is
on a dead run to center field and he
hesitates no longer. Gathering his
speed, he dashes for the plate, and
tries by a Salvador finish to create
the impression that he has made a
home run. Van delver, however, it was
not you, Jeff, but that hay-field of a
ball ground which did it. Without
its aid you would never have reached
the plate.

The game in detail was a fine one.
Especially noteworthy was the Frank-
fort's fielding. Elting struck out six-
teen men, but when the Capital City
lads did hit the ball it generally land-
ed safe. In addition, Merchant's
strategic pitching kept the Versail-
les' hits scattered, while, on the
contrary, our boys got theirs in nice
bunches. The game was as close and
exciting as it could well be up to the
last inning when five hits, a base on
balls, and a force gave five runs,
three of them earned, to the visitors.

Since their visit here the Versailles
boys realized that they had a ball
club to contend with and had secured
the services of Elting and Jones, of
Danville, the prize battery of the
Blue Grass League; Brown, of Lex-
ington, and rejuvenated the team
generally, there being but three Ver-
sailles men in it; but they were com-

elled to acknowledge that their
new players didn't understand
base ball like our little boys.

FRANKFORT 12; SHELBYVILLE 4.

On Tuesday the Shelbyville club
came up to try conclusions with the
home team. One of the Shelbyville
papers put it, they expected to "fur-
nish a little amusement for the
Frankfort boys." The amusement
was a dismal failure, however, as the
game was uninteresting from start to
finish. Notwithstanding this, there
were several brilliant fielding plays,
by Phillips and Merchant for the
home club and Goyen and Hall for
the visitors. Roxy got in his usual
long hit between right and center on
his first turn at the bat, which yield-
ed him three bases, and Goins and
Lindsey secured three pretty hits
apiece. The outfielders of the home
club did not have a single chance,
the visitors' hitting being so light.
The "Zebra" secured such a lead in
the first inning that they took things
easy and did not exert themselves
at all. Merchant struck out eleven
men in the six innings he was in the
box, and Stagg, who finished out,
struck out six. But three hits were
made off Merchant and none at all
off Stagg, while the locals run their
total up to twelve. Alex. Goins caught
Stagg in fine style.

BASE HITS.

—Tuesday's game was the Shelby-
ville's first of the season, and they
promise to improve with practice.
They have a good infield, lack team
work. Goyen at short and Harrison
at first are especially clever players.

—The best point about the home
club is the heavy work of the players.
They all know just what to do with
the ball when they get it and those
exasperating cases of "rattles"
which used to be the features of
games at Lake Park before the present
club was organized are noticeably
absent.

—"Wicks" Lindsey arrived home
from Princeton on Tuesday night and
covered third bag for the boys in
yesterday's game. "Wicks" was
much disappointed at the poor show-
ing made by the Princeton team, of
which he was a member, in the inter-
collegiate championship contest, and
will endeavor to make up for it by
participating in all the home boys'
victories.

—Alex Goins is something of a hit-
ter. He secured two hits in four
times at bat from Elting, three hits
in four from McCrocklin. As he has
only played two games he tops the
list in batting, with a percentage of
.525. The other players rank as fol-
lows: Hewitt (1 game) .600, Mer-
chant .364, Stagg .304, VanDerweert
and Hunt each .200, Davis .202, New-
man .286, Wintersmith .273, Phillips
.250, H. Lindsey .200, Nelson .143.

—Weisiger Lindsey says that Prince-
ton had a Jonah. Here's hoping that
Wicks didn't bring it to Kentucky
in his trunk.

—Some of the Versailles sports
wished they hadn't been so cock-sure
about it after Monday's game was
over.

—The Deppens, of Louisville, and
the home club played a game at Lake
Park yesterday evening. It was ex-
pected to be the finest game on the
home grounds so far this season, but
we go to press too soon to give the
result. Fitzgerald, late of the Louis-
ville League Club, was announced to
pitch for the visitors.

—Manager Stanton is trying to ar-
range a game with the Lexington
club for next Tuesday. The Lexing-
tons are considered the strongest
team in the State outside of the
Louisville League club, and have not
been defeated this season.

there is at least one dreaded disease
that science has been able to cure in all
its stages, and that is Catarrh. Hall's
Catarrh Cure is the only positive cure
now known to the medical fraternity.
Catarrh being a constitutional dis-
ease requires a constitutional treat-
ment. Hall's Catarrh Cure is taken
internally, acting directly upon the
blood and mucous surfaces of the
system, thereby destroying the foun-
dation of the disease, and giving the
patient strength by building up the
constitution and assisting nature in
doing its work. The proprietors
have so much faith in its curative
powers, that they offer One Hundred
Dollars for any case that it fails to

Hutton.

A large congregation attended preaching at Beech Ridge Sunday. Rev. John H. Burdin held forth from the 1st chapter and 16th verse of Romans. He delivered a masterly discourse and all who paid attention were edified. May he live long and be the means of winning many souls to Christ.

Tobacco setting is about over in this locality and I don't think the prospects very flattering for a big yield. The dry weather has given our farmers a chance to weed out their garden truck and corn patches.

Hutton is on a boom. She is the possessor of two grist mills, one medical doctor and one dental shop. Mr. Andrew Jackson Greenwell presides at the anvil, and the way he makes sparks fly is a sight.

J. A. Young has a freak of nature in the way of calf, which has a long head like a colt and eyes like a hog. It is stone blind.

W. T. Fulton has sold out his saw-mill and thresher and will hereafter devote his attention and talents to handling chickens. Willie claims that there is much more money in it.

Mr. H. T. Yount had a severe hemorrhage last week, but is seemingly better at this writing.

Quite a sensation was created at Beech Ridge Sunday, by the advent of a tall, containing belles from Frankfort and belles from Bellepoint, together with their stylish escorts, say about two to the belle. I tell you they dumfounded the lads and lassies hereabouts by their elegant and gorgeous apparel and their fascinating manners. They made things lively by waving their kerchiefs and hallooing and singing people along the line of march. Taken all together, they were as lovely a lot of daisies as one could wish to see.

Old Greaser had his beautiful physiognomy taken last week, and the charming young widow was the first to receive one. He has a lot left which he wishes to dispose of to the marriageable widows and spinsters.

Poor Geo. Young who has been making things odorous for Miss Onie, but looked very desolate Sunday when she came dashing out with a city dude. George was looking his best, but didn't get a sniffle. He seemed dazed and wandered around all Sunday night, and was seen making his way home Monday morning, muttering to himself: "Oh, ever thus from childhood's hour, I've seen my fondest hopes die."

The coachman of the city tallies omitted to uncin his foaming team and kept the poor critters reined up to the highest notch during the whole time of services.

Little George Roberts got a sight of his humpy dumpty last Lord's

day, but the sight of the dude by her side made cold chills steal over his manly form.

I tell you now, the clod-hoppers out here are not much impressed with the idea of city dudes coming out here and monopolizing all the sweet smiles of our own dudines. No they ain't.

Oh if I could only see that tall, who comes again, and overflowing with sweetness like I was last Sunday, me thinks me could lay me down and die.

Remarkable Facts.

Heart disease is usually supposed to be incurable, but when properly treated a large proportion of cases can be cured. Thus Mrs. Elmina Hatch, of Elkhart, Ind., and Mrs. Mary L. Baker, of Ovid, Mich., were cured after suffering 20 years. S. C. Linburger, druggist at San Jose, Ill., says that Dr. Miles' New Heart Cure, which cured the former, "worked wonder for his wife." Levi Logan of Buchanan, Mich., who had heart disease for 30 years, says two bottles made him "feel like a new man." Dr. Miles' New Heart Cure is sold and guaranteed by J. W. Gayle, of wonderful testimonials free.
